

Introducing the First Born Son of the Reigning World Champion C.J. Irvin...

RX ACRES AMBASSADOR

Pictured at two weeks old.

Ambassador's dam is King's Plainview Sissy M102290. Sissy is by Bill's Master King, a son of Nesbitt's Bill and out of Lean's Plainview Rosie whose dam is sired by Penn State Congolaise. Sissy has tremendous heart and action.

When you combine a mare like Sissy and a proven champion like Irvin, the result is a true "Ambassador" to the breed. This stunning colt is available by private treaty only. Serious inquiries are welcome.

*Please feel free to call, write, or E-mail for breeding terms for Irvin.
Contracts are also available on our website.*
