

## Off Site Insemination Contract

RX Acres is proud to use MB Equine Services for all our breeding needs.

Stallion Owner will travel to inseminate mares by an RX Acres stallion. Stallion Owner will travel up to 100 mile radius from Brookston, IN. Mare Owner will be charged \$0.50 per mile traveled, round trip.

The first collection and insemination fees are complimentary, excluding mileage. Any additional collections and inseminations will be accompanied by appropriate fees. Each additional collection will be \$75 and each additional insemination will be \$5.

In order to protect the safety of the mare and the inseminator, Mare Owner will disclose any unusual/undesirable personality traits of the mare. This includes biting, kicking, striking, etc.

It is requested that the mare be pregnancy checked at 18 days after insemination and Stallion Owner notified of her pregnancy status. If open, another appointment can be scheduled. If bred, it is requested that the mare be pregnancy checked again at 45 days and Stallion Owner notified of her pregnancy status.

Stallion Owner agrees to diligently try to settle mare; however, if mare fails to settle, for any reason, Mare Owner will hold Stallion Owner blameless. If mare cannot be settled, Stallion Owner will allow a substitution of mares at its discretion.

The mare will be inseminated twice. Generally, the mare is bred the first time and again in 36 hours. Mare Owner will decide when the mare should be bred.

Mare Owner will remain in contact with Stallion Owner to keep updated of mare's estrus cycle. Mare Owner must call on first day of mare's heat to give an idea when insemination will take place. After the mare has been ultrasounded and determined when the days of insemination are, Mare Owner must call in timely manner to order semen and schedule an appointment. To do so, contact Melissa on her cell at 765.479.0367 or Dris on his cell at 765.479.0369. Mare Owner is encouraged to call in timely manner to ensure you receive semen. Semen is ordered on a first come/first serve basis.

When Mare Owner signs and returns this contract, it becomes a binding contract on both parties, subject to the above terms and conditions. This contract is not transferable or assignable. This contract is bound by the laws of the State of Indiana.
